

ENTUITIVE

Mark Goddard BSc(Hons) CEng MIStructE
PRINCIPAL

Mark is a Principal at Entuitive with over 30 years of experience in structural engineering. His extensive background and experience range from designing small community facilities to managing the design of large-scale multi-million-pound developments, both new build and refurbishment, often incorporating significant infrastructure works.

Prior to joining Entuitive, Mark held various senior leadership roles where he was responsible for managing and overseeing structural engineering projects.

Mark's diverse portfolio of work includes major retail projects for clients such as Debenhams, Marks and Spencer and Crest Nicholson. His most notable projects include Three Mills West in London, Dudley House Paddington London, and Riverside Development Hemel Hempstead.
